

## Let's work together

Hey there!

I have been actively **developing dessert recipes** for over two years now. Along with that came the challenging task of learning how to run a **food blog**, doing my own **food styling & photography** and setting up a YouTube channel.

I would love to partner with you or your company to produce quality content that would benefit my readers and your company. Although I'm based in Spain the majority of my readers are based in the United States and then from other English speaking countries.

### Here are a few ways we can work together!

- **Guest post** - I'm available for guest posts on your site.
- **Recipe Development** - I would love to discuss the possibility of developing a recipe using your product and featuring it in a sponsored post.
- **Food Photography and Food Styling** - I can help you to style and photograph your product.
- **Product Giveaways and Reviews** - Do you have a product that you think my readers will love? I can host a review or giveaway for products on Flavours & Frosting.
- **Brand & Product Ambassador** - I am available to represent your brand or company. This can be done through sponsored trips, blog posts, social media, recipe development, etc.
- **Advertising** - Interested in advertising on Flavours & Frosting? Advertise on this blog (sidebar **banner** ads and/or **in-post** ads). Please send me an email [johlene\[at\]flavoursandfrosting\[dot\]com](mailto:johlene[at]flavoursandfrosting[dot]com) for further info.
- Any **other** idea? The Entrepreneur in me is open to new **collaborations!**
